

Acme Corporation - FY24 Investor Presentation

Document: Synthetic_Acme_Investor_Update_FY24.pdf | Page 1 | Synthetic Test Data

Acme Corporation announces financial results for fiscal year 2024.

FY2023 revenue reached \$100M, reaffirming our baseline performance.

For FY2024, total revenue from operations increased to \$145M, driven by cloud expansion.

As of March 31, 2024, total headcount stood at 5,200 employees worldwide.

Market Outlook & Expansion

Document: Synthetic_Acme_Investor_Update_FY24.pdf | Page 2 | Synthetic Test Data

In North America, our regional headcount stood at 2,100 employees as of Q4 FY24.

The company expects growth of approximately 20-30% in international markets over unverified timelines.
